

NOTICE TO MARINERS

NtM 003–2016

Diving Operations In Lochboisdale Harbour

This NtM is effective 19th may 2016 relating to the conduct of diving operations within Lochboisdale Harbour waters.

Diving operations may only proceed with prior consent from the Harbour Master or Port Manager after review of the diving procedures, risk assessment and equipment to be used.

A permit to dive will be issued once all the requirements have been met. The requirements to be met are as specified in the HSE commercial diving projects inland/inshore diving at work regulations 1997.

The following documentation should be supplied to the harbour office at least 24 hours in advance of a planned diving operation.

- Dive Plan including emergency procedures.
- Risk assessment.
- Medical certificates.
- Diving qualifications.
- Insurance certificate.

Further information can be obtained using the contact details below.
