

NOTICE TO MARINERS

NtM 003–2018

Diving Operations In Lochboisdale Harbour

This NtM, effective 1st January 2018, relates to the conduct of Diving operations within the Lochboisdale Harbour area.

Diving operations may only proceed with the prior consent of the Harbour Master or Port Manager after verifying that the correct documentation is in place. This to include copies of the Diving Plan, Risk Assessment / Method Statement and Diver qualifications.

A Permit to Dive will be issued once all the requirements have been met. The requirements to be met are as specified in the HSE Commercial Diving projects inland / inshore Diving at Work Regulations 1997.

The following documentation should be supplied to the Harbour office at least 24 hours in advance of a planned Diving operation:

- Dive Plan, including emergency procedures.
- Risk assessment / Method Statement.
- Diver Medical certificates.
- Diver Qualifications, including First Aid.
- Insurance certificate and HSE Registration number.

All previous versions of this NtM are now withdrawn.
